UNITE, COLLABORATE, SHARE

- The SIM Expo is the largest interprofessional healthcare simulation conference in Canada. Join healthcare leaders in university, college and hospital sectors, comprised of administrators, educators, clinicians, SIM centre managers/ directors, and researchers from all health professions.
- The SIM Expo prides in its strong culture of networking, building relationships, and uniting the simulation community.

ADVANCE SIM

- Our theme this year is **SIMULATION AND ADVOCACY**. The importance of simulation is growing—both for workforce development and for quality improvement and patient safety. Join us as we explore the many perspectives on this unique and powerful intersection!

2024 SIM EXPO

“ Simulation conference that is collaborative and highlights the hands-on practical operations of SIM, the underlying theories that support SIM, and the research that is being done surrounding SIM. ”
