

# DON'T MISS THE 2026 SIM EXPO — CANADA'S PREMIER GATHERING OF SIMULATION ENTHUSIASTS— NOVEMBER 9 & 10.

## UNITE, COLLABORATE, SHARE

The SIM Expo is the largest interprofessional healthcare simulation conference in Canada. Join healthcare leaders in university, college and hospital sectors, comprised of administrators, educators, clinicians, SIM centre managers/directors, and researchers from all health professions.

The SIM Expo prides in its strong culture of networking, building relationships, and uniting the simulation community.

## SIMULATION AND CULTURE: PEOPLE, PRACTICE, AND PROGRESS

This theme welcomes thoughtful reflections on cultural safety, psychological safety, Indigenous ways of knowing, team dynamics, leadership, systems improvement, and the values that guide our field. We aim to create a space for meaningful and challenging conversations, grounded in respect, authenticity and curiosity, about the kind of healthcare culture we aspire towards.

“
